1. Cook the Noodles

Bring a saucepan of water to boil. Add the **Noodles** and a few pinches of salt to the boiling water and cook until al dente, about 3 minutes. Drain the noodles, return to the saucepan, and cover.

2. Sauté the Veggies

While the noodles are cooking, heat 1 Tbsp olive oil in a large skillet over high heat. When the oil is hot, drain the excess liquid from the **Snow Peas, Water Chestnuts & Green Onions** and add to the skillet with a light sprinkle of salt and pepper. Cook until the peapods start to char, about 2 to 3 minutes. Transfer the veggies to the saucepan with the drained noodles and stir together. Cover and set aside until step 6. Wipe out the skillet.

3. Prepare the Tilapia

Whisk 2 eggs in a small bowl and place the **Seasoned Cornstarch** on a plate. Pat dry the **Tilapia** and dip in the egg, coating both sides. Shake off any excess egg and press firmly into the Seasoned Cornstarch, flip and repeat for the other side. Dip the coated tilapia a second time into the eggs and then the cornstarch again on both sides. Set on a plate and repeat for each piece of tilapia.

Heat 2 Tbsp of olive oil in the now empty skillet over medium high heat. When the oil is hot, add the coated tilapia and cook until the coating on the sides turns brown, about 3 to 4 minutes. Flip and cook until the other side is brown, an additional 3 to 4 minutes. Remove from the skillet and set aside until step 6. Do not wipe out the pan.

4. Make the Orange Sauce

Add the **Orange Sauce** to the now empty skillet and reduce the heat to medium. While the sauce is heating, whisk 1 Tbsp of the Seasoned Cornstarch and 2 Tbsp cold water in a bowl until it forms a paste-like consistency. Then slowly whisk it into the Orange Sauce once simmering. Cook, stirring frequently, until the sauce thickens enough to coat the back of a spoon, about 5 minutes.

5. Put It All Together

Serve the tilapia over the noodles and veggies and spoon out enough Orange Sauce to completely cover the top of the fish. Drizzle the remaining sauce over the noodles and veggies to taste. Sprinkle the entire dish with the **Green Onions & Sesame Seeds** and enjoy!
